DESCRIPTION
Your softest tee? Could be!

- Smooth, lightweight blend of cotton and rayon-modal
- Fabric keeps its shape and color wash after wash
- Classic crew styling
- Fitted: Figure flattering without being too tight
- Falls to mid hip

Wonderful things happen to cotton when you blend it with rayon-modal (and add a kiss of stretch). It creates a knit with amazing softness, shape and color retention — that's easy to care for, too. This long sleeve tee has a classic crewneck. Falls to mid hip. 56% cotton/38% rayon-modal/6% Lycra® spandex. Machine wash. Imported.

My list is pretty vague. JCrew, anthropologie and Williams-sonoma are always good. I'm usually a small/4/6.

Anything 'comfy' for running around during the day, I.e. Fleeces, hoodies, boots (size 9).

Dear Santa,

For Christmas, I want The Lego
Marsrek Train, the Lego Police Station, and
Lego Cargo train (set 7934). Pretty much
all I want is Legos.

Sincerely,

Hank Dolce

Dear Santa,

My name is Kaiki Dolce. I live in Austin, TX with my brothers Hank and Jack and my sister Cricket. I am really looking forward to Christmas this year and really hope you come to my house. I done a lot of good things this year and a few bad things. I've tried to correct the wrong things I've done but sometimes I do it again (and again and again). I still hope you forgive me. I know the true meaning of Christmas isn't presents, but that's what you bring to children like me. So I'm going to tell you what I would like.

For Christmas I would like:

- Some cute earrings
- A friendship bracelet making kit
- The new Christmas album from Justin Bieber
- An earring holder
- A tiny notebook with a tiny pen to go with it
- Anything that your elves would make with a Longhorn on it.
- A picture of you on your sleigh with all your reindeer
- A huge trampoline for my family
- My own laptop
- Anything pink !!!!!
- And some food cans for the poor

You really don't have to bring me everything I wanted because there are many other kids in the world that are less fortunate than I am so they deserve better.

Thank you,
Kaiki Dolce

P.S. My lucky number is 8. ☺☺☺☺☺☺☺☺
